

Town of Umi A Tour of Historic Sites in a "Land of Legends" That Uncovers The Area's Diverse History

The town of Umi is home to many historical sites, including a shrine said to be the birthplace of Empress Jingu, as well as a burial mound thought to be the tomb of King Fumi. Shioji Citizens Forest, where the nationally-designated special historic site Ono-jo Fortress Ruins are located, is the perfect place for a stroll that lets you experience history and the four seasons.
